

Fun! Vintage race day

March 20th 2009 9am

Macclesfield Cheshire UK

This is the first monthly race day for all vintage RC car fans.

We would like to welcome all makes from the early 80s to mid/late 90s to include.

Tamiya – Kyosho – Traxxas – Team Losi and Team Associated

We ask only that all models run with a standard 540 can motor this we feel will make for a great race day pitting driver against driver in a battle of driving skills and wit, We have a great indoor circuit based in Macclesfield Cheshire where you will be racing on a carpet track. As we mentioned this is the first meet and hope it to be a great day of for all the family. Tea and coffee with some light snacks are available on the day. So if you are like us and want a fun packed nostalgic race day why not come and join us for what is promised to be great day out.
